- The annual neighborhood yard sale was held in October.
- As soon as a date is confirmed, the neighborhood gathering will be held.
- Homeowners interested in coordinating a committee are asked to contact the management company.
- The entrance sign at Hacks Cross/Meadow Vale that was damaged due to a car accident has been replaced.
- The wrought iron fences at each entrance have been painted.
- The irrigation systems have been repaired.
- The walking trail is in need of repair. The company that was contracted to do the repair work was not used after waiting three months. A new company has been contracted.
- Please do not litter in the neighborhood. It takes every homeowner working together to keep the neighborhood clean. This is a serious problem which increases maintenance fees.
- Buckingham Farms is a huge area. All homes that are a part of the HOA are located in Buckingham Farms, but not all homes and parcels of land in Buckingham Farms are a part of the HOA. The parcels are owned by private developers.
- Please contact the management company before making changes to the exterior of your home. This includes yard fixtures, roof replacement, painting, drive way extensions, sheds, etc.
